Q. What do you like about Tachibana-kun?
Naoya's side
Me
How he's basically useless.
ISN'T THAT A DISS?!
HE'S USUALLY SERIOUS BUT SOMETIMES HE'S STUPID AND IT'S SO FUN MESSING WITH HIM
OR HOW HE HURTS HIMSELF WHILE TRYING TO HELP OTHERS
Or when he falls at the funniest times
And in soccer, all of his amazing shots are actually just clumsy shots in reality
CAN YOU PLEASE STOP THERE?
But
That's what makes him so cute
smile
THIS GUY IS REALLY SOMETHING
?
This guy shamelessly turned his diss around.
